

Meet Dr Sydnise Fourie-Nel

New GP at the Platinum Health Medical Centre in Rustenburg

PLATINUM
HEALTH

Platinum Health (PH) management extends a warm welcome to Dr Sydnise Fourie-Nel who joined the medical team at the Platinum Health (PH) Medical Centre in Rustenburg.

Dr Fourie-Nel obtained her MBBCh Medicine and Surgery Degree in 2019 from the University of Witwatersrand. She did her internship at George Regional Hospital in the Western Cape and completed her community service at Vredendal Hospital in the Western Cape before joining our Platinum Health team in February this year.

Commenting on her new position, Dr Fourie-Nel said: "I am very grateful to have the opportunity to serve with Platinum Health.

I was drawn to Platinum Health by the care I felt they have for their patients and the way they structure themselves to give very good benefits at affordable prices so that more people can get access to quality care.

I was drawn to that heartbeat – we need more of that in South Africa and I am proud to be a part of this team."

*We wish Dr Fourie-Nel all the best
with her new responsibilities.*
