

What makes Platinum Health **different** from other medical schemes in South Africa?

**PLATINUM
HEALTH**

No need to call into Call Centres

- ✓ Platinum Health (PH) prefers to provide a personal touch by deploying dedicated Client Liaison staff to visit participating employers, giving members an opportunity to be assisted on site with:
 - ✓ obtaining authorisation for hospital or specialist visit, or
 - ✓ queries regarding membership, benefits, claims, accounts, tax certificates or any other service-related query.

Members visiting PH medical facilities, are assisted by the receptionists with:

- ✓ Bookings/getting authorisation for specialist appointments, hospital admissions or specialised radiology such as MRI, CT and PET scans.
- ✓ Registering on one of PH's managed care programmes

Platinum Health's Principal Officer, is the only principal officer in South Africa who personally meets with stakeholders during bi-lateral meetings to address issues they may have.

PH assists with transport of patients as per agreement with relevant employers.

**The abovementioned sets Platinum Health apart from other medical schemes in South Africa.
Can you afford not to be a member of Platinum Health?!**

All PH medical facilities are placed within easy reach locations across the Platinum and Chrome mining belt, making healthcare accessible to all members!

- NO limits on acute and chronic medication
