

# COVID-19 VACCINATION ROLLOUT KICKS OFF AT AMANDELBULT

PLATINUM  
HEALTH

Platinum Health (PH) is happy to report that a COVID-19 Vaccination Site has been established to provide Platinum Health members at Amandelbult an opportunity to get vaccinated.

The Vaccination Site is conveniently situated at Amandelbult Hospital's Outpatient Department (OPD), providing easy access for members to receive their vaccinations over the coming weeks. The vaccination rollout started on Thursday, 15 July 2021.

The Vaccination process comprises of four Stations:

Station 1 - screening is done for COVID-19 symptoms.

Station 2 - personal details are verified, and consent is given to receive the vaccine.

Station 3 - after getting vaccinated, a Vaccination Card is provided as proof of vaccination.

Station 4 - after getting vaccinated the patient is monitored.
