

Dr. MAPITSI MATIKO

New Business Unit
Manager at

Modikwa Clinic

PLATINUM
HEALTH

Congratulations to Dr. Mapitsi Matiko on her appointment as Business Unit Manager (BUM) at Modikwa Clinic with effect from 1 February 2024.

Dr. Matiko is a qualified Occupational Medical Practitioner with more than seven year's experience working in the mining industry. She has extensive medical experience in the public and private sector, and we are confident that she will add value in her new area of responsibility.

Dr. Matiko's professional skills include a strong belief in work ethics, design thinking, prudence, empathy, agility and she's not afraid to have courageous conversations.

Commenting on her new position, Dr. Matiko said: "I'm very excited to be part of the Platinum Health team and I'm looking forward to render quality healthcare to our members."

We wish Dr. Matiko all the best with her new responsibility.
