IS YOUR CHILD DEPENDANT STUDYING AWAY FROM HOME?

If your child dependent is studying away from home, you need to notify Platinum Health (PH) of the child's new residential address.

For example: If you live in Rustenburg and your child studies at North West University in Potchefstroom, you need to notify PH of your child's residential address in Potchefstroom, in order for your child to enjoy benefits in the area he/she resides.

For more information or assistance, kindly talk to the Client Liaison Officer on site or contact the Client Liaison Call Centre:
