

Meet Dr Tiisetso Mothopeng

New GP at BRPM Clinic

Platinum Health (PH) management extends a warm welcome to Dr Tiisetso Mothopeng who joined the medical team as General Practitioner (GP) at the Bafokeng Rasimone Platinum Mine (BRPM) Clinic.

After obtaining his Bachelor of Health Sciences and Bachelor of Medicine and Surgery Degrees from the University of Witwatersrand, Dr Mothopeng completed his internship and community service at Tshepong Hospital Complex in Klerksdorp. He joined the BRPM Clinic at the beginning of this year and he's thrilled to be part of the PH team.

Commenting on his new position, Dr Mothopeng said: "I am very excited to join the Platinum Health team. I look forward to the work that lies ahead, and I am proud to have joined such a patient centric organisation, which has strong values and a great track record."

We wish Dr Mothopeng all the best with his new responsibilities.
