

Official Opening of Platinum Health Clinic in Sun Village

Platinum Health's (PH) commitment to provide quality healthcare to its members prompted the scheme to establish a New Primary Healthcare Clinic in Sun Village.

The majority of PH members working at participating employers in the area where this medical facility is based, will benefit greatly from the clinic as it is conveniently located

CUTTING OF THE RIBBON... Member elected trustee, Mr Percy Malamula (left) and Human Resources Executive of Bakubung Platinum Mine, Ms Basetsana Ramaboa (right) did the honours of cutting the ribbon at the official opening of the clinic on Tuesday, 25 May 2021.

The primary healthcare clinic provides a spacious, relaxed environment which clearly demonstrates how PH is creating real value for its members by providing state-of-the-art healthcare facilities. This is in line with the scheme's vision of providing appropriate healthcare of high quality to the satisfaction of stakeholders.

WALKABOUT

PH Management and guests take a walkabout of the new premises.
