

SETARIA CLINIC will be closed on 19 July 2023

PLATINUM
HEALTH

Platinum Health (PH) members should note that Setaria Clinic will be closed on Wednesday, 19 July 2023.

This is due to essential maintenance scheduled at Northam Zondereinde Smelter on 19 July, which will result in power supply interruptions at Setaria Clinic on that day. PH members are therefore advised to utilise the Northam Zondereinde Medical Station or any alternative PH medical facility closest to them.
