## Stay SAFE on the ROAD

During the past months, many parts of South Africa, have received continuous rain and roads have deteriorated rapidly. Therefore, we urge our members to be hyper vigilant, as countless potholes (big and small) have sprung up on the roads.

## Looking after your SPINE AT WORK

Back strain or pain is one of the most common niggles for office workers, because we spend so much time sitting and few of us maintain good posture. The good news is that there are simple ways to sort out that stiff lower back.
